

Dennis,

Once again, I have to tell you that Alfredo, Enrique and Edwardo did a FANTASTIC job. In our walkabout, I found only two areas needing touchup, and they were about as big as the period at the end of this sentence. Literally. You told us we would be in Good Hands, we were in Great Hands.

We have zero complaints and 100% praise. ( I could go on, and on and on...)

Neither Alfredo nor I knew exactly what we owed you. I know the proposal was \$ 11,972.00 and Gary put the deposit of \$ 1,795.00. We didn't know the cents. If you will let me know the exact balance, I will put the check in today's mailbox.

We grabbed extra business cards from Alfredo and would recommend you highly!

PS – Gary wants to build a 20x20 garage in our back yard, with stucco finish to match the house. Something the size of a 2 car garage with 2 car garage door I assume you do full building projects?

Could we call you when we are ready?

...

I intended to email you today anyway, to let you know how fantastic Alfredo and his crew are. I have never seen such hard workers in my life, and it appears that the quality of their work is very good. They work non-stop, straight through, no chit-chat, 1 break for lunch. One potty break! Their work ethic exceeds the norm by 110%.

So, regardless of today's call from my husband about the rain, I just really wanted to commend your crew. They represent Ram Builders in an exceptionally, exceptionally, exceptionally high manner.
